OAKEN GIN

CAFÉ GINEBRA

For this smooth concoction, we reimagined the Shaft cocktail using our buttery Oaken Gin. The Caribbean flair in the drink comes from the Falernum, a sweet syrup infused with almond, ginger, cloves, lime, and spice.

INGREDIENTS

1½ OZ OAKEN GIN

1½ OZ FALERNUM

1½ OZ COLD BREW COFFEE

COFFEE BEANS

METHOD

Combine ingredients with ice in a shaker. Shake and strain into a glass. Garnish with a few coffee beans.
